

RESOLUTION CROSS CUP

December 28-29, 2013

W. Cecil Winters Park Amphitheater, Garland, TX

The race venue for last year's Most Awesome 'Cross Race proved to be an exciting and challenging course with a BMX-style pump track downhill and the mulch pile of pain. The event will be held both days at this excellent venue and new this year is a special national-level race designation (USAC CXNC) for elite men and women's fields. The course will be tweaked to enhance the contours of the park. The races will be an excellent warm-up to the TXBRA State Championships the following weekend as well as USAC National Championships two weeks later.
